

## **Service Policy Update**

Shepherd's Heart Food Pantry is continuing to monitor the news around the coronavirus (COVID-19). We are following the guidelines put forth by the Center for Disease Control and Prevention (CDC) and the Texas Department of Health Services. Our focus is on our current responsibilities to our clients, our partners, and the community as a whole. We are not overreacting, but we are taking prudent steps to prepare for all possibilities.

Shepherd's Heart Food Pantry will continue serving all clients requesting food assistance. We do require that all new clients provide proof of address so we can continue to handle the increased demands. We recognize this virus has the potential to affect those in need the hardest and our priority is to continue serving this community by maintaining normal business operations as long as we are able.
